**Poster Presentations : Bibliography**

**The Design and Performance of Altrazeal™, a Transforming Powder Wound Dressing.**
John V. St. John, PhD, Uluru, Inc. Addison, Texas; Spencer A. Brown, PhD, University of Texas Southwestern Medical Center, Department of Plastic Surgery, Dallas, Texas; Matthew Pompeo, MD, Medical Director Wound Program, Presbyterian Hospital, Dallas, Texas.

**Transforming Powder Wound Dressing Relieves Pain and Manages Moisture Restoring Quality of Life.**
Mary Glocenier, RN, MS, CWON, Ostomy/Wound CNS, Gregory Bohn, MD FACS Medical Director, Trinity Medical Center, Bettendorf, Iowa.

**Properties of a Novel Powder Wound Dressing and Clinical Experience in Diabetic Foot Ulcers.**
Gregory A. Bohn, MD, FACS Medical Director, Trinity Center for Wound Care and Hyperbaric Medicine, Bettendorf, IA; Sid Sharma DPM FAPWCA, All County Podiatry PC, NY, NY; Janet Persich DPM FAPWCA, All County Podiatry PC, NY, NY; John V. St. John, PhD, Uluru, Inc. Addisson, Texas.

**Serendipity: Use of a Novel Transforming Powder Dressing to Treat Chronic Wound Pain in Patients with Venous Wounds.**
Catherine T. Milne APRN, MSN, BC-ANC, CWOCN; Darlene Sauder APRN, MSN, BC-FNP, CWCN Connecticut Clinical Nursing Associates, LC; Bristol Hospital Wound, Ostomy, Lymphedema Center, Bristol, Connecticut. 2010 SAWC Meeting, Orlando, FL.

**Application of a Novel New Nanoparticle Hydrogel Wound Conforming Dressing.**
Gregory A. Bohn, MD, FACS, Medical Director, Trinity Wound Care and Hyperbaric Medicine, Bettendorf, Iowa.

**Development of a Protocol for the Treatment and Resolution of Diabetic Foot Ulcers with Clinical Complications.**
Kelly A. Mauro, PT, CWS. Diabetic Foot Clinic. Comprehensive Diabetes Lower Extremity Amputation Prevention, New Orleans, LA. 2010 SAWC Meeting, Orlando, FL.

**Testing the Properties of an Aggregating Powder Dressing in the Management of Moisture Over a Living Skin Equivalent.**
John V. St. John, PhD, Uluru, Inc. 2010 APWCA Meeting, Philadelphia, PA.

**A Randomized Clinical Study Comparing a Novel Transforming Powder Dressing to a Carboxymethylcellulose-Silver Dressing in Skin Graft Donor Sites.**
Brett Arnoldo, MD, Associate Professor, Department of Surgery, University of Texas Southwestern Medical School; Gary Pursue, MD, Professor, Department of Surgery, University of Texas Southwestern Medical School; Agnes Burris, RN, Research Coordinator; Department of Surgery, University of Texas Southwestern Medical School; John V. St. John, PhD, Vice President, Research and Development, Uluru, Inc.; Christiane M. Baug, PhD, Director Clinical Research, Uluru, Inc.

**A New Treatment in Mesh Skin Graft Procedures Using a Novel Powder Dressing for Clippless, Sutureless Graft Fixation.**
James Gleaves, MD, FACS; Kim Eldridge, RN, CNOR, RNFA, CFCN, WCC, Rush Hospital. Wound Care, Hyperbaric and Limb Salvage Center, Meridian, Mississippi. 2009 SAWC Meeting, Grapevine, Texas.

**A Procedure Using a Single Dressing Application for the Bolstering and Protection of a Meshed Skin Graft.**
Kim Eldridge, RN, CNOR, RNFA, CFCN, WCC; James Gleaves, MD, FACS Rush Hospital. Wound Care, Hyperbaric and Limb Salvage Center, Meridian, Mississippi. 2009 SAWC Meeting, Grapevine, Texas.

**Graft Fixation and Wound Moisture Management with Transforming Powder Dressing.**
Gregory Bohn, MD, FACS, Medical Director, Trinity Center for Wound Care and Hyperbaric Medicine.

**Treatment of a severe Fournier’s necrotizing fasciitis involving the scrotum and volar penile skin associated with a malfunction penile prosthesis affixed in the erect position with a delicate split thickness skin graft anchored with a powder dressing.**
Jim Gleaves, MD, Surgeon, Rush Hospital, Meridian, Mississippi; Kim Eldridge, RN, Rush Hospital, Meridian, Mississippi. 2009 CSAWC, San Antonio, Texas.

**Controlling Wound Edema with Fuzzy Yarn Focused Compression in Direct Contact with Granulation Tissue Speeds Healing.**
Laura Landon, RN, Manager Bergan Mercy Hospital Wound Care Clinic, Omaha, Nebraska; Pam Chelesvig, MD, FACS. Hyperbaric and Limb Salvage Center, Meridian, Mississippi. 2009 SAWC Meeting, Grapevine, Texas.

**Calculation, Measurement and Optimization of Pressure Decrease Through Capillary Forces at a Powder Wound Dressing-Wound Interface.**

**“Release” and “Activity” of Silver: Solubility, Diffusion and Common Perceptions of Silver Antimicrobial Properties.**
John V. St. John, PhD, Vice President, Research and Development, Uluru, Inc. Addison, Texas. 2009 SAWC Meeting, Grapevine, Texas.

**Physical, Chemical and Preclinical Characterization of Silver-Nanoflex Powder Dressing.**
John V. St. John, PhD and Lili Wang-Tsang, PhD Lie Jang Uluru, Inc.; Spencer A. Brown, PhD, Debbie Noble, and Daniel A. Hatef, MD UTSW Medical School, Department of Plastic Surgery. 2009 SAWC Meeting, Grapevine, Texas.

**Antimicrobial Effectiveness and Exudate Management from a Novel Silver-Containing Powder Dressing.**
John V. St. John, PhD, Uluru, Inc. 2010 WHS Meeting, Orlando, Florida.

**Formulation and Characterization of a Novel Collagen Powder Wound Dressing.**
John V. St. John, PhD VP, R&D, Uluru, Inc. 2010 SAWC Meeting, Orlando, FL.

**Nanoflex technology applied to the development of advanced controlled release dressings.**

**Development of an Injectable Aggregating Gel Dressing Suitable for Sinus Tract Filling with High Tensile Strength after Aggregation and the Ability to provide Controlled Release of Therapeutics.**
John V. St. John, PhD Uluru, Inc. 2010 WHS MEETING, Orlando, Florida.

**Delivery of PGDF Using a Novel Powder Dressing.**
John V. St. John, PhD Uluru, Inc. SAWC Fall 2010 Meeting, Anaheim, CA.

**Modification of Nanoparticle Aggregate Surfaces to Affect Bacterial Migration and Biofilm Formation.**
John V. St. John, PhD Uluru, Inc. 2011 WHS Meeting, Grapevine, Texas.

**Controlled Release Of Iodine By Diffusion From Povidone Iodine Trapped In An Aggregated Nanoparticle Powder Dressing.**
John V. St. John, PhD Daniel G. Moro Uluru, Inc. Addison, Texas. 2011 SAWC Meeting, Grapevine, Texas.
**Poster Presentations**: Bibliography continued

Transforming Powder Dressing combined with Total Contact Cast may shorten days to heal Wagner Grade 2 Neuropathic Diabetic Foot Ulcers. Gregory Bohn, MD, FACS, Medical Director, Trinity Medical Center, Bettendorf, Iowa.

*The Combined Effect Of The Offloading Felt Pad System And A Novel Powder Wound Dressing On Plantar Ulcers.*

Lesly D. Robinson DPM, Tracey C. Vlahovic, DPM, Frank Owari BS, Antonia DeGeorge McClune, BA, Banafsheh Baharloo, BS, Temple University School of Podiatric Medicine, Philadelphia, PA, 19107.

Combination of a Novel Powder Dressing with Hyperbaric Oxygen in the Treatment of Diabetic Foot Ulcers and Chronic Non-Healing Wounds.

John Jackalone, DPM Co-Director, Wound Healing Center at New Island Hospital, Bethpage, NY. 2009 CSAWC. San Antonio, Texas.

*Nonparticulate Aggregate Wound Dressing in the Management of Soft Tissue Wounds.*

Ryan H. Fitzgerald DPM, Manish Bharara PhD, Joseph Mills MD, David G. Armstrong DPM, PhD, Southern Arizona Limb Salvage Alliance (SALSA), College of Medicine at University of Arizona, Tucson, AZ.

Gregory A. Bohn, MD FACS Trinity Center for Wound Care and Hyperbaric Medicine, Bettendorf, Iowa.

Unique Properties of Transforming Powder Dressing Combined with Triamcinolone to treat Necrobiosis Lipidica.

Gregory A. Bohn, MD FACS Trinity Medical Center, Bettendorf, Iowa.

*Powdered Porcine Basement Membrane Optimized with Transforming Powder Dressing.*

Gregory A. Bohn, MD FACS Medical Director Trinity Center for Wound Care and Hyperbaric Medicine, Bettendorf, Iowa.

Patient Selection for the use of a novel powder dressing in home care.

Bobbie Spitz, RN, MN, CNS Aurora Visiting Nurse Association of Wisconsin, Milwaukee, Wisconsin.

Transforming Powder Dressing and Pressure Wound Therapy in the Treatment of Chronic Recurring Pilonidal Cyst Disease.

Gregory Bohn, MD FACS Trinity Medical Center, Bettendorf, Iowa.

Peristomal Skin complications treated with a Transforming Powder Dressing: A new Technology improves standard approaches to management.

Mary Glueckner, RN, MS, CWON, Ostomy/Wound CWS, Gregory Bohn, MD FACS Medical Director Trinity Medical Center, Bettendorf, Iowa.

*New Transforming Powder Dressing as a Cost Effective Management Technique in a case of Difficult to Heal Perianal Fistula.*

Marcia Svenson, RN, BSN, WON, Winn Clinical Case Manager, Gregory Bohn, MD FACS Medical Director Trinity Medical Center, Bettendorf, Iowa.

*A novel treatment protocol for the management of nonhealing surgical wounds.* Jennifer Eingle, PT, DPT Advanced Wound Care Team Leader, Peoplesfirst Rehab, Indianapolis, IN; Jodie R. Harper, MD, CWS, Wound Care Specialists of Indiana, Indianapolis, IN.

*Treatment of Post-Operative Chronic Abdominal Wounds Using a Novel Powder Wound Dressing.* Michael S. Miller, DO, FACOS, FAPWCA, CNS The Wound Healing Centers of Indiana, Indianapolis, IN.

Wound Center Open Toe Amputation: “Stump” Cavity Management with Hydroxyethylmethacrylate 78 Nanometer Sphere Powder Dressing.

Laura Landon, RN, Manager Bergan Mercy Hospital Wound Care Clinic, Omaha, Nebraska; Pam Chelesvig, BS, Director of Research, Kohli’s Corporation, Omaha Nebraska; Martin Winkler, MD, FACS, Creighton University College of Medicine, Omaha, Nebraska; University of Nebraska College of Medicine, Omaha, Nebraska.

*Treatment of a Rheumatoid Nodule Surgical Wound with a Novel Powder Wound Dressing.*

Stephanie Bixler, MSN, CNP, CWCN, AAPWCA, Wound Care Nurse Practitioner, Marshfield Clinic Rice Lake Center, Rice Lake, Wisconsin. 2009 APWCA Conference, Philadelphia, PA.

Tracey C. Vlahovic, DPM, Associate Professor David W. Lee, BS, Michelle Oliver, BA Temple University School of Podiatric Medicine, Philadelphia, PA. 2009 APWCA Meeting, Philadelphia, PA.

Publications**: Bibliography

*Use of a Nanoflex powder dressing for wound management following the debridement for necrotising fasciitis in the diabetic foot.*

Treatment of Partial Thickness Burns in Outpatient Settings with a Novel Nanoflex Powder Dressing.

David W. Voigt, MD, Medical Director, Director of Burn Research, Saint Elizabeth’s Regional Burn and Wound Care Center Lincoln Surgical Group, P.C., Roy Maier, PA-C, Saint Elizabeth’s Regional Burn and Wound Care Center, Lincoln, Nebraska; Dhaval Adhvaryu, MD, FACS, Baton Rouge General Hospital, Baton Rouge, LA. Submitted for publication, Wound Repair and Regeneration.

Evaluation of a novel transforming powder dressing for wound management in non-healing surgical wounds.

Matthew Pompeo, MD; John V. St. John, PhD Uluru, Inc. Addison, TX.

Altrazeal Australasia Pty Ltd. Level 12, 37 Bligh Street, Sydney, NSW 2000 Australia. www.altrazeal.com
